**In Re:**

**J. MICHAEL IHLE,**

**COMPLAINT NO. VCRB 2014-126**

**Former Mayor of the City of Ravenswood**

**PROBABLE CAUSE ORDER**

On this date, the Probable Cause Review Board, having investigated and considered the allegations set forth in VCRB 2014-126, unanimously finds that there is probable cause to believe that Respondent, J. Michael Ihle, violated the provisions of the Ethics Act as follows:

**Count One:** Respondent, J. Michael Ihle, while he was the Mayor of the City of Ravenswood, used a cellular phone owned by the City of Ravenswood and the City's cellular phone service plan for his 2014 West Virginia House of Delegates election campaign. The Respondent used the City-owned phone for this purpose from approximately January 2014 until his election in November 2014. The use of the City-owned cellular phone and service plan for a political campaign constitutes the knowing and intentional use of office for private gain to Respondent Ihle or to his campaign or both.

In accordance with W.Va. Code § 6B-2-4(f), the Commission staff is hereby **ORDERED** to prepare a Statement of Charges and to schedule this matter for a public hearing to determine the truth or falsity of the charges.
